

# A BOMBER COMMAND MUSEUM OF CANADA BULLETIN

2013-03-24

Our museum now has a half-scale, portable version of Canada's Bomber Command Memorial Wall.

Although not made of granite, it is of very high quality, the 10,659 names are easily read, and it breaks down easily for transport.

Our plan is to make the Memorial Wall available for temporary display at appropriate events and at other aviation Museums across Canada.

Even at half-scale, the Wall is almost twenty feet long and it must be displayed so that it is viewable from both sides.

Visit [www.bombercommandmuseum.ca](http://www.bombercommandmuseum.ca) for information regarding this summer's Special Events.

A 2013 Lancaster Engine Run schedule is available at [http://www.bombercommandmuseum.ca/event\\_merlinrunups.html](http://www.bombercommandmuseum.ca/event_merlinrunups.html).

**PLEASE NOTE THAT WE ARE A VOLUNTEER DRIVEN, REGISTERED CHARITABLE ORGANIZATION.**

We depend upon private donations for our operation and development. Please help if you can.
