PORT-SIDE PROGRESS ON THE LANCASTER

We're pleased to report great progress with the Lancaster's port engines. The propeller is now on the inner engine and the outer engine was placed on the aircraft yesterday evening.

SPRING 2013 NEWSLETTER

In case you've missed it, the newsletter may be seen at <http://www.bombercommandmuseum.ca/news.html>.

DAMBUSTERS 70th COMMEMORATIONS IN THE UK

Our museum was represented at various events including this one at RAF Scampton. An "invitation-only" function for family and close associates of the Dambusters, it was telecast live on BBC Television.
