2013-12-21

MESSERSCHMITT Bf 109 MOCK-UP PROGRESS

Our Luftwaffe fighter mock-up is almost ready to be placed on display. Associated signage will be completed over the winter. Emil Weinmann was a Luftwaffe fighter pilot and the museum's remarkable collection of his personal material will be part of the display.

SANTA'S HELPING WITH THE HALIFAX PROJECT

Santa stopped by the museum the other day to deliver an early Christmas gift – a Halifax nose perspex.

MOSQUITO PROJECT PROGRESS

The “Mosquito People” that frequent our museum have been very busy. Read of their progress at: <http://www.calgarymosquitosociety.com/feature46/feature46.htm>.

WINTER WORK ON THE LANCASTER

Amongst other projects, a cylinder head is being removed from the #2 Merlin in order that all worn valve guides can be replaced by our associates at Vintage V-12's.
