

## A BOMBER COMMAND MUSEUM OF CANADA

### BULLETIN

#### MUSEUM BUILDING EXPANSION ANNOUNCEMENT

Our first museum building was opened in 1991. We expanded in 1997 and again in 2007. Building on our success, it's time to expand again. Our present tarmac area is extremely limited, so it is very difficult to properly and safely display our taxiable aircraft.

With four engines running on the Lancaster, and other aircraft close to being restored, another hangar with a large taxi area is a necessity. In addition, Nanton really needs a larger building to accommodate major community events. This expansion would answer all these needs and would be a positive addition to the whole community.

We ask that you support this exciting development by being present at our "Fund-raising Kick-off Event" on May 23rd, starting at 6:00 pm. Tickets are only \$50.00 each, (which basically covers our expenses) or you can book a table for 8 for \$400.00. We'll be starting up the Lancaster as part of the evening.

Details and ticket order forms are available below:
