

A BOMBER COMMAND MUSEUM OF CANADA BULLETIN

+++NEW+++ A LANCASTER "WALK-ABOUT" AUDIO/VISUAL TOUR

-Thanks to a major volunteer effort by Dave from Medicine Hat, this tour is now available. Designed to be utilized in the museum on your own device or on a museum-supplied tablet, it guides you around the Lancaster's exterior, through the crew door, and up the fuselage to the main spar for a look into the cockpit. The tour takes about 21 minutes to complete and there's video to watch the entire time as you listen to the tour guide.

UPGRADING OUR DISPLAYS

-Each winter we work towards upgrading and improving our museum's displays. This fine photo of Canadian Halifaxes at Croft has been printed 8' wide and looks great in our Bomber Command area.
